Universal application with natural
ingredients!

Supports the regeneration process
of tendons, ligaments, muscles and joint
ends after strains, bruises, overloading
or internal training.

The active ingredients:

Cool, relax and soothe with plant-based
menthol in combination with the
mineral components of healing clay.

No unnecessary additives, no extras!
Application **warm** and **cold**!

Application:

- Apply approx. 5mm thick to the
affected areas and leave to take effect
- then simply rinse off with water or
brush off
- EquiPhlog® clay paste can also be
wrapped in!

Notes:

Store in a cool and dry place, protect from sun-
light, keep out of reach of children. For external
use only, but can be applied to minor injuries.

Valetumed EquiPhlog® is not relevant to doping
(according to the FN) and is therefore harmless
in equestrian sport.
